CITATION

Investigation of complaint submitted revealed actions taken by you which violate sections of the law regulating the practice of physical therapy.

A Citation is hereby issued to you in accordance with Section 125.9 of the Business and Professions Code for the violations described below.

FIRST CAUSE OF CITATION

California Code of Regulations 1398.6

Each licensee shall report to the board each change of residence address within 30 days after each change, giving both the old and new address. In addition to the address of residence, a licensee may provide the board with an alternative address of record. If an alternate address is the licensee's address of record, he or she may request that the residence address not be disclosed to the public.

You are subject to a citation and fine under California Code of Regulations 1398.6. Information obtained confirms that you did not notify the Board of your change of address within 30 days. On June 6, 2007, the Board received an Online Address Change Request from you. However, in the document you indicated that your address changed in 2005. Based on the address change document signed under penalty of perjury, that the information in the document is true and correct, it has been confirmed that you did not notify the Board of your change of address within the allowed 30 days.

ORDER

Further, **you are ordered to pay a fine of \$100.00** to the Physical Therapy Board of California within thirty (30) days of the date of issuance of the citation or assessment.

In the alternative, you may, within thirty (30) days of the date of issuance of the citation or assessment, request a formal administrative hearing before an administrative law judge under the Administrative Procedure Act.
